B. SQE would like to propose for the H&SS ICC fully support all efforts to fight the proposed tuition increase, including supporting the Fund the Dream arch happening on April 4, 2018 in Sacramento. This would include supporting the event as a council, promoting the event to our orgs and social media, and allowing SQE to present to those who wish to hear more within their organizations.
SQE motions, AKD seconds.

SQE is a statewide group, focuses on social and political issues that impact students in higher education.

Their main campaign currently is an April 4th march on the capital called "Fund the Dream" in response to a proposed tuition increase. Since 2000, tuition has gone up 200%. Graduation Initiative is one of the reason – instead of finding out why students aren't graduating sooner this initiative wants to push out students faster by hiring advisors, etc. Ultimately, the Board of Trustees decide on the tuition increase. SQE is going to Sacramento to pressure the state legislature to fully fund the CSU system. Asking the council to promote the event in our orgs and general campus population (social media, SQE presentations). Want to commit CSUF students to going on April 4th – http://freethecsu.org

Be aware that tuition has steadily risen, and the council should support strong action against this increase – best way is to promote and/or attend Fund the Dream. Tuition increases have been about the Graduation Initiative.

Philosophy yields to Maria Linares: can you bring more people? SQE – yes, students, community members, anyone at all is welcome.

Q: How many people are going from CSUF? SQE – So far about 50, but overall in the hundreds.

Q: How many have RSVPd? SQE – not sure as we don't have that info yet, but it is looking good.

Discussion:
Outcomes from SQE on previous actions against tuition increase?
Rebecca (SQE) – coordinating with statewide support from CFA. Marching format should be a huge turnout.

Vote: All in favor

C. PDSA would like to request for $246.03 from line 8074 to help with catering for our event "Master of Social Work Guest Speakers". The event take place on March 7, 2018 in the Titan Student Union – Alvarado AB at 4 pm – 5 pm. There will be three guest speakers who will talk about their experience in social work and what student can do to get involved in the field.

Vote: all in favor

D. A.R.E.A is proposing to request $1,000.00 in funds from line item 8074 to give as an honorarium to speakers Jessica Heihman-Schniter and Joseph Manson. They will each be receiving $500.00. Dr. Jessica Heihman-Schniter will be giving a talk on Friday, April 6 from 3:00 PM-5:00 PM in MH-428 and Dr. Joseph Manson will be speaking on Friday, April 20 from 3:00 PM-5:00 PM in MH 428.

Vote: all in favor

E. Acacia – Motion to be Excused from Participating at Resource Fair
Reasons they are proposing to be excused:
-None of the members are able to table at the Resource Fair as they are Teaching Assistants for English classes at the same time
-Club has a narrow focus (English graduate students), outreach is limited
-They are struggling to get things off the ground

Vote: all in favor, Acacia is excused from participating at the Resource Fair
