## GSA 2023 Early-Bird Registration is Open

The GSA 2023 Annual Scientific Meeting will be held in the Tampa Convention Center from November 8-12, 2023. This premier in-person event will allow diverse scholars from the U.S. and around the world to learn, network and engage with each other. GSA is very proud to bring together members, speakers, and attendees to participate in this anticipated gathering of the latest, cutting-edge aging scholarship.

The GSA Annual Scientific Meeting offers numerous opportunities for career development and networking. Nearly 4,000 researchers, clinicians, educators, and other professionals in the aging field will gather in Tampa to learn about and discuss the latest trends, research, and key issues.

# USC Center for Elder Justice

## 2024 Tamkin Scholar Application

The Tamkin Symposium is the premier convening on elder mistreatment. The event draws researchers, practitioners, and advocates to share findings, strategize solutions, and help shape the field of elder justice.

Join us as we focus on the Elder Mistreatment Ecosystem: Emerging Innovations and Evolving Ideas. Topics include financial exploitation, abuse across the lifespan, and person-centered, trauma-informed care.

The Tamkin Scholar Award is intended to stimulate interest in elder abuse research. Two students who demonstrate a strong interest in the subject matter, through their scholarship and/or experience, will be awarded travel stipends to attend the event.

Apply to be a Tamkin Scholar!  
Deadline: September 1, 2023
