“I may be a senior, but so what? I’m still hot.”

“In my head, I’m the ultimate cougar. Animal lover that I am.”

“I’ve always liked older men. They’re just more attractive to me. Of course, at my age there aren’t many left!”

“I’m a health nut. My favorite food is hot dogs with French fries. And my exercise: I have a two-story house and a very bad memory, so I’m up and down those stairs.”

Scholarship Information

Scholarship applications are due Tuesday, April 5. Because they require letters of recommendation, a personal statement essay, and more questions, students should allow themselves ample time to work on their applications. We have four different scholarships specifically for our program (minors and MSG students are eligible), but the College of Humanities and Social Sciences has even more. Students can complete scholarships via the Scholarships app found in their Student Portal. More information on how to apply can be found at hss.fullerton.edu/agingstudies/08_scholarships or hss.fullerton.edu/scholarships.
Students at CSUF and beyond are experiencing mental health challenges in record numbers. Please familiarize yourself with campus resources in case you find yourself struggling in any way. More information can be found at: fullerton.edu/caps
