

2021-2028 FRENCH COURSE ROTATION

This rotation is subject to change due to budgetary decisions by the College.

Updated 3/17/2022 HD

Attention French Majors: *We've had to reduce our course rotation. If you wish to complete your upper-division French coursework within two years, you must take all the courses offered during any semester (whether 300- or 400-level). Prerequisites will be waived as needed. You will need to take FREN 485 twice with a different project topic:*

- *Take FREN 485 in the spring semester of your junior year in lieu of FREN 470 (a TDA exception will be needed);*
- *Repeat FREN 485 in the spring semester of your senior year as a Capstone (FREN 485 is a repeatable course).*
