5. Click + on the option that applies to you (Chicana/Chicano Studies concentration or traditional Spanish MA program) and make sure you get a check mark. Then **Continue**

6. Fill out the different application sections (Personal Information, Academic History, etc.).

7. Once you're done filling in the required information and paid the application, go to **Submit Application** to complete the process.

Note: The system will indicate if you have any missing information.
