Hello, Incoming HSS Transfer Students:

We are reaching out with some important reminders and tips, since we noticed you have not registered for fall 2020 classes. To ensure the best start at CSUF, we encourage you to review the following steps ASAP:

- **Missed your Major Advising Webinar?**

 2. Then click on your specific major's "*Major Advising Webinar*" to view the recorded session (see Step 1 on website)
- **Learn How to Read and Interpret your Titan Degree Audit (TDA):**

- **Review schedule recommendations based on your major:**

- **Have GPA and Units Verification hold?**
 - If you have a GPA and Unit Verification Hold, you must submit ALL transcripts to **verify@fullerton.edu**. Holds will be released 48-72 hours after they are submitted. Even after the hold disappears, students must wait overnight for the system to refresh which will allow you to register the next day. We appreciate your patience during this process.
