“Cell Phones: Modality or Sampling Problem?” with Matthew Jarvis

in progress

“Voluntary Regulatory Strategies: What Can Other Sectors Learn from Voluntary Environmental Programs?”

working draft

Funded Scientific Research

(2007) “The Impact of Cover Depth, Fertilizer, Seed Mix, and Surface Preparation on Vegetative Response in Covered Mine Tailings.” Awarded to Buchanan Consultants, Ltd. by Molycorp, Inc. to study vegetative response to standard reclamation practices on molybdenum tailings in north-central New Mexico. A five-year research project with an estimated total budget in excess of \$350,000

(2007) “The Effects of Oil and Gas Production Water Application on Soil Moisture in Southwestern Utah.” Awarded to Buchanan Consultants, Ltd. by Contract Environmental Services to determine soil moisture and evaporation potential of approximately 7% salt

water on native Utah soils. An initial one-month research project with a budget of approximately \$7,500.

(2006) “Weathering of Saline-Sodic Mine Spoil.” Awarded to Buchanan Consultants, Ltd. by BHPBilliton to study the weathering of freshly regraded minespoil under irrigation. A three-year research project with an estimated total budget of \$400,000.

Conference Presentations

(2011) “Affluence, Risk, and Community Engagement: The Case of Ascon and Huntington Beach” Presented at the meetings of the Midwest Political Science Association. Chicago, Il., April 2011

(2011) “Running on Strikes” with Pamela Fiber-Ostrow. Presented at the meetings of the Midwest Political Science Association. Chicago, Il., April 2011

(2010) “Utilizing a Virtual Community of Practice for Authentic Assessment: CSUF Environmental Studies Masters Program” with Alison Cliath, Joshua Yang, & Anne Houtmann. Presented at the WASC Retreat on Student Learning and Assessment. Anaheim, CA, October 2010. **Invited Presentation**

(2010) “The Fashion of Martyrdom: Palestinian Support and Individual Decision Making in Suicide Terrorism.” with Michael Struempf. Presented at the meetings of the Midwest Political Science Association. Chicago, Il., April 2010.

(2010) “Voluntary Regulatory Strategies: What Can Other Sectors Learn from Voluntary Environmental Programs?” Presented at the meetings of the Midwest Political Science Association. Chicago, Il., April 2010.

(2009) “Accede or not to Accede: Analysis of the Impact of Protest and Concessions on Future Concessions in France and Germany; 1990-1989” with Taehyun Nam. Presented at the meetings of the European Consortium of Political Research. Potsdam, Germany, September 2009.

(2009) “My Grass is Green, So Do We Need a Party: The Effect of Green Party Presence on Environmental Protection?” Presented at the meetings of the Western Political Science Association. Vancouver, BC, March 2009.

(2008) “Democratic Freedoms and the Provision of Environmental Protection: The Role of the State.” Presented at the meetings of the Western Political Science Association. San Diego, CA, March 2008.

(2007) “Weighting Individual Datum for Non-Parametric Analysis.” with Melchor Ortiz. Presented at the National Meeting of the American Society for Mining and Reclamation, Gillette, WY, June 2007.

(2007) “Historic Climax Communities as Reference Areas.” with Bruce Buchanan. Presented at the National Meeting of the American Society for Mining and Reclamation, Gillette, WY, June 2007.

(2007) “Comparison of Forest Regeneration in a Subsidence Zone to a Reference Area.” With Anne Wagner, Jeremy Niemeier, and Bruce Buchanan. Presented at the National Meeting of the American Society for Mining and Reclamation, Gillette, WY, June 2007.

(2006) “Evaluating the Effects of Spoil Thickness and Cover Soil Depth on Vegetation Using Three Years of Plant Cover and Production.” with Bruce Buchanan, Matt Owens, Tim Ramsey, and John Mexal. Presented at the Billings Land Reclamation Symposium. Billings, MT, June 2006.

(2006) “Implementing EMS in the Bureaucracy: The Case of Executive Order 13148.” Presented at the meetings of the Midwest Political Science Association. Chicago, IL, April 2006.

(2005) “Commitment and Compliance in International Agreements: Evidence from Legislative Delay” Presented at the meetings of the Southern Political Science Association. New Orleans, LA, January 2005.

(2005) “Technology, Regulation, and Corporate Social Responsibility.” Presented at the meetings of the Southern Political Science Association. New Orleans, LA, January 2005.

(2004) “They’re Packin’, so Why Can’t I: the Diffusion of Concealed Carry Permits in US States” Presented at the meetings of the Southern Political Science Association. New Orleans, LA, January 2004.

Academic Appointments

Department of Political Science, California State University – Fullerton

Assistant Professor, Fall 2008 to present (*tenure track*)

Undergraduate Courses: Introduction to Public Management and Policy, Research in Public Management

Graduate Courses: Administrative Research and Analysis, Environmental Regulation, Environmental Law, Environmental Research and Analysis

Relevant Experience

Buchanan Consultants, Ltd.

Project Development Manager, May 2006 to August 2007

Contact: Dr. Bruce A. Buchanan, President, Buchanan Consultants, Ltd.

Duties: Develop, design, and implement research projects, Collect and analyze biological and soil data, Manage strategic interaction between clients and stakeholders, Create and amend mining permits and permit conditions, Manage daily operations and employees

Policy Research Institute, The University of Kansas

Graduate Research Assistant, January 2004 to May 2004

Project Title: "Who Gets a Seat at the Table? The Role of Candidate Sexual Orientation."

Principal Investigator: Donald Haider-Markel

Department of Environmental Studies, The University of Kansas

Graduate Teaching Assistant

Environmental Policy, Environmental Law

Department of Political Science, The University of Kansas

Graduate Teaching Assistant

Comparative Politics, American Politics

Center for Sustainable Environments, Northern Arizona University

Intern, Spring 2001

Research Skills

Proficient in statistical analysis (i.e. regression, logistic regression, event history, survival analysis, GEE, SUR, hazard models, nonparametric statistics)

Proficient in social survey methodology and implementation

Proficient in forest and vegetation survey methodology

Research proficiency in Spanish

Awards

CSUF Intramural (Minigrant) Research Award, 2011

FIPSE Fellow, Center for Sustainability, CSUF, 2010-11

CSUF Faculty Development Center International Travel Grant, 2010

CSUF Faculty Development Center International Travel Grant, 2009

CSUF President's Probationary Faculty Stipend

KU Thompson Summer Scholarship, 2006

KU Thompson Summer Scholarship, 2005

KU Thompson Summer Scholarship, 2004

KU Thompson Summer Scholarship, 2003

KU Thompson Fall Scholarship, 2002

Professional Memberships

American Political Science Association
Midwest Political Science Association
Western Political Science Association
Pi Sigma Alpha

Service

Profession

Panel Discussant: MPSA 2009, MPSA 2010, MPSA 2011
Reviewer: *International Public Management Journal*, *Sage Press*, *Review of Policy Research*

University

Member: Environmental Studies Program Council, Center for Sustainability Advisory Board, Environmental Studies Curriculum Committee, Center for Public Policy Advisory Board, Graduate Studies TDA taskforce
Assistant Coordinator:
CSUF's efforts for the National Teach-in on Global Warming Solutions (2009)
CSUF's Alternative Transportation Expo (2009)

Division of Politics, Administration, and Justice

Member: Executive Committee, 2010-11
Chair: ad hoc Committee on Faculty Workload and Course Scheduling, 2009-10
Evaluator, MAPS Comprehensive Exam

Environmental Studies Program

Graduate Program Advisor, 2009- present
Chair: Program Coordinator Selection Committee, 2010
Masters Thesis / Project Advisor:
2011 - Diana Herrick, Tara Freese, Linda Pham, Sean Coit, Daniel Cardoza
2010 - Collin Ramsey, Marissa Spata, Brandon Campos
2009 - Sita Al-Mishari, Juan Ramirez
