Supervising Professor _____

Psychology 498 Directed Empirical Research (1-3 units) _____ units

Schedule Number _____

Empirical research investigation under the direction of a faculty member. No more than three units of credit can be counted toward the major. No more than six units can be taken in a given semester, and no more than six units may be applied toward completion of the baccalaureate degree.

NOTE:

A student enrolled in any of the classes, Psychology 496, 498 or 499, is required to spend a minimum of 3 hours each week for each unit of credit. Regular contact should be made with the supervising professor. Thus, for three units of credit a student should expect to work a minimum of nine hours a week on the project.

Students should contact the professor the semester prior to the semester they plan to enroll in a directed empirical research course for advisement on developing a study plan.

Psychology 498
