

Hello,

Academic Advisement is teaming up with your Sociology Advisor, Dr. Hilla Israely, to host several interactive Grad Check Review Sessions specifically designed to provide a comprehensive review of your General Education, Major and overall degree requirements. Eliminate stress and worry by reviewing your remaining degree requirements and help you graduate ON TIME!

Attending this session will help ensure your walk across the stage at commencement is not followed by a deferral notice in the mail informing you that you are 1 unit short. You have done the work for the past several years; endured the wait at the AAC, trekked around campus to pick up forms, obtained signatures, fought for parking, now it is our turn to congratulate you on your persistence by inviting you to attend one of the interactive Grad Check Sessions. No lines, no forms, no signatures. Although you will be among fellow candidates and future CSUF Alumni, you will get the individual attention you deserve.

No RSVP is necessary – however space is limited!

The only item **REQUIRED** is a **CURRENT PRINTED COPY OF YOUR TITAN DEGREE AUDIT**. The date on the top left corner should be within one week of the date you are attending.
