X. New Business:

- a. Order of those speaking: Creative Writing Club, Titan Archaeology

b. **The Creative Writing Club** would like to request \$1901.32 from line item 8074 for Creative Writing Night, an annual event that supports CSUF students to pursue careers in creative writing, to be held on November 7th, 2014. Creative Writing Night will be held on November 7th, 2014 in the TSU Pub from 7 PM to 10 PM, with food provided from Thai Basil and a workshop the next morning. This year, we are asking for considerably less funding than we have in the past while still providing an event that will appeal to and interest CSUF students.

Creative Writing Night is an annual event that the Creative Writing Club holds to expose our club members, as well as the CSUF community, to professionals in the writing community who will be sharing their experiences and insight. This event can be enjoyed by students of all majors who are interested in writing and publishing and is a fun opportunity for students to learn about writing and publishing from successful professionals in the writing field.

- i. Motion to discuss: LSSA; Second: Acacia.

ii. Discussion: This is an annual event that has been put on for the past four years. It is good for anyone interested in writing or publishing. The speakers are listed on the Allocation Request form. The Creative Writing Club will be offering food in addition to speakers.

- iii. Motion to vote: LSSA; Second: Titan Archaeology.

- iv. Results: Unanimous vote for approval - Motion passed.

c. **Titan Archaeology Club** would like to propose that the following funds, \$670, by allocated to our organization from budget line item 8074, Contracts, Fees, and Rentals. Titan Archaeology, partnering with the Cooper Center, will be hosting the speaker, professor, and archaeologist Jon Erlandson on November 13th, to take place in the Fullerton Arboretum. The funds we are requesting will be for his honorarium, hotel expenses, and a dinner afterwards. Jon Erlandson is a coastal archaeologist from the University of Oregon, and it is with thanks to the Cooper Center of Santa Ana and their continuing partnership with Cal State Fullerton that we have been granted this opportunity.

- i. Motion to discuss: LSSA; Second: ASA.

ii. Discussion: The Cooper Center is sponsoring this event and will be covering the Arboretum fees, setup fees, and the reception on the 13th. The event will be paid for half in half. Questions: Gerontology - Are you just covering the time when the speaker is at the Arboretum? Titan Archaeology - Yes.

iii. Motion to table: SSDP; Second: Gerontology.

iv. Reason for tabling: We need to double check what we can fund as far as food is concerned. We will double check with Drew and the ASI coordinator to see whether or not this can be funded. This will be covered under 'Old Business' on next week's agenda.
