- Themes for HSS Week
 - Could you go over past themes?
 - Challenge of Change
 - And past H&SS weeks had no general theme
- Maybe a student panel because we are all different and have different experiences
 - Make it about student power
 - What would be the them? What would it be called? Don't know but it should be Student lead, something along the line of power to the students
 - Speaker fees are expensive, rather have that money go to something else
 - Would part of the idea involve a single event where multiple people are involved, or is this throughout the whole week? It would be great if it was the whole week
 - Mixed feelings, witnessed a lot of sentiments along the lines of for serious business you go to STEM but with humanities not so much, this could be an opportunity of exposing the seriousness in part of humanities
 - Way to demonstrate that our work isn't easy, some of us do research, we could demonstrate what we really do
- When will we have the committees established for H&SS Week? Soon, it will start this semester, sometime mid Oct.
- When will we need the theme established? Wanted next week but that's probably too soon. Want to start promoting it
- Start thinking about the words that were mentioned
- How do humanities intersect with other colleges? We could have something that could show that intersection

8. **Old Business**

9. **New Business**

~~ASSA is requesting funds from line 8074~~

~~LSPA is requesting funds from line 8074~~

- A. UNA would like to request \$2,404.59 from the HSS-ICC for an honorarium, daily parking permits, advertising materials (banners, handouts, and flyers), and catering. In featuring the work of an NGO, Liberty in North Korea (LiNK), UNA intends to highlight the human rights violations against North Koreans fleeing oppression and showcase how locals can help.

UNA motions, PDSA seconds

Most of us do not know what's going on in Korea, we focus i=on the sensationalism, wan to shift the view from, north Korean refugee to share their story, show communities in what we could do, the money of the honorarium will go to rescue funds. Will be handing out flyer up until the events to bring awareness to the event

Did you go to DPS on campus? Didn't know about them, but could reach out

Thank you for bringing this to our attention, if you need volunteers let us know: Will be on Oct. 16th in TSU Pavilions

- This goes hand in hand with what we were thinking about for H&SS week

Do you want to table the amount for marketing since you still want to go to DPS? Maybe could go after this meeting

Do you normally have an event like this? Usually have a big event once per

year

Vote: all in favor

~~Able Advocators~~ — Requesting funds from line 8074

- B. PDSA would to request \$174.56 for In-N-Out. On Wednesday, October 3rd from 4:00pm to 5:00pm in UH-250, PDSA is hosting a Career Center Workshop and is requesting HSS-ICC funding for food from In-N-Out. PDSA wants to introduce the Career Center to a new population who may not be familiar with this useful resource.

PDSA motions to open, UNA seconds

Are we aware that the IN N Out supports the GOP? It's a business with its own political affiliations, we do not support then

- They also made donations to the democratic party as well, it was a larger amount
- Are we reaching out to a specific franchise? Just down the street
 - For example, with Chik-Fil-A's controversial statements, some stores came out and said they do not reflect this

How is this different from other workshops? We want to bring it to the students
Would be more comfortable with calling the store? The event is next week

Maybe we could vote on if we want them to get food from In-N-Out or not? This is more complicated than that

Does sonic have a vegetarian option? Yes

Are we ok with In-N-Out
Vote: Y: 14, N: 3
Council ok with In-N-Out

Allocation:
Vote: y: 15, N: 1, A:1
Allocation approved
