

**THEME COMMUNITY LEARNING AGREEMENT  
2018-19 Academic Year**

The living learning community supports students' educational journey by providing events and activities to help students stay on track for graduation. The community also provides tools and advising needed for students to be successful in their major as well as encouraging more proactive ownership of their collegiate career at CSUF. Through integrative learning residents will be able to transfer knowledge and skills they gain in class to new situations within and beyond their academic courses. At the core, the theme community provides learning opportunities focused on academic, professional and personal aspirations and growth.

**Benefits**

- Involvement and connection with college/department and like-minded peers
- Exposure to information about internships and study abroad opportunities
- Personalized advisement and career exploration
- Firsthand knowledge and invitations to campus social and networking events
- Exposure to scholarship information and research opportunity programs
- Exposure to diversity & inclusion and the opportunity to become a champion for social justice

**Commitment**

We strongly encourage you to:

- Strive for academic excellence
- Agree to embrace study strategies
- Begin to prepare for careers, graduate school, and your professional goals beyond graduation
- Get involved beyond this community

We ask you agree to:

- Meet your Assistant Dean once a semester
- Attend monthly floor meetings
- Attend an additional 4-6 HSS Themed Floor activities/events/programs per semester
- Attend the GE and the Major Advising sessions
  - These events can count towards your additional 4-6 HSS Themed Floor programs per semester
- Complete the first semester and year-end surveys

**We are dedicated to 'Creating a Climate for Intellectual Curiosity and Collaboration' and agree to actively participate!**

As a member of the \_\_\_\_\_ theme community, I \_\_\_\_\_  
agree to help build a community of support and fully engage in opportunities during the academic year.
