Fall 2022 Promotional Mixer

The Aging Studies Department and SPO is interested in holding a special bowling event mixer at CSUF, date TBD.

The event is a **bowling** mixer at CSUF downstairs in the Student Union. There will also be **free pizza**.

Aging Studies staff, alumni, current students, SPO members, **any students who are interested in the MSG program, Aging Studies minor, and / or SPO** are all invited. (Unfortunately, the event will not be open to friends that don't fall in any of those categories.)

Although attendance is not mandatory, we encourage MSG students, SPO members, and Aging Studies Minors to **come and bring anyone you know who may be interested in joining one of our programs.**
