## CRITICAL THINKING ASSESSMENT

Please read the journal article provided to you by the Aging Studies Academic Program. If you have not received an article, please email [agingstudies@fullerton.edu](mailto:agingstudies@fullerton.edu) and request a copy of the article to complete the Critical Thinking Assessment.

After carefully reading the article, please address the following:

- a. What is the take home message of the article? What evidence supports this?
- b. Imagine you are a director of a local senior center. How would you utilize the findings from this article to improve the well-being of your participants?

(see next page)

Please write your response in the text box below. It is recommended that you type your response in a separate word processor, then paste it in the box below. You may also turn in your 1-2 page response in a separate document. Please use college-level writing and cite all ideas that are not your own using APA style of referencing.
