CRITICAL THINKING ASSESSMENT

Please read the journal article provided to you by the Gerontology Academic Program. If you have not received an article, please email gerontology@fullerton.edu and request a copy of the article to complete the Critical Thinking Assessment.

After carefully reading the article, please address the following:

- a. What is the take home message of the article? What evidence supports this?
- b. Imagine you are a director of a local senior center. How would you utilize the findings from this article to improve the well-being of your participants?

(see next page)

Please write your response in the text box below. It is recommended that you type your response in a separate word processor, then paste it in the box below. Please use college-level writing and cite all ideas that are not your own using APA style of referencing.
