Dear Criminal Justice Major,

Welcome to the Division of Politics, Administration, and Justice at Cal State Fullerton! Many of you have chosen Criminal Justice as a major because of a strong interest in the causes, consequences, and control of crime and in pursuing a criminal justice-related career (e.g. law enforcement, corrections, law, victim services…) or in continuing to professional or graduate school. Your aspirations require you to set high expectations for yourself and to embrace the journey as you discover your passion and pursue your dreams! Make the effort to engage with department faculty when you have questions about course content or your path to graduation. Also, give yourself the best opportunity to graduate and to reach your career goals by making good choices about how you spend your time, engaging in meaningful internship/research/volunteer opportunities related to your career, and taking advantage of the resources that are here for you at CSUF (e.g. the Career Center, the Academic Advising Center, the HSS Student Success Team, Supplemental Instruction, and Faculty Advisors – see the last few pages of this handbook).

This handbook is intended to help you navigate the requirements for your bachelor’s degree in criminal justice. Please review its contents and make it part of your permanent records (keep it so you can reference it throughout your time at CSUF).

All students are highly encouraged to meet with a major advisor at least once per year every year, and more often as you get closer to graduation or have any specific questions about your progress and/or which courses to take. Please bring a current copy of your Titan Degree Audit when attending academic advising sessions. In addition, we recommend that you establish a strong relationship with at least one of your professors so that you have someone whom you know well and who can write letters of recommendation for you when needed.

If you need additional assistance at any time, please stop by the Department office (GH 511) or email pajdiv@fullerton.edu to ask for help. We look forward to meeting you and working with you.

Sincerely,

Matt Jarvis, Ph.D.

A SNAPSHOT OF SELECT CAREERS IN CRIMINAL JUSTICE

The purpose of an undergraduate degree is to teach students how to read, write, and think critically about their chosen major. While many students choose to pursue a career in the area of their major, many students choose to apply their acquired skills to professions related to or outside of the field of crime and justice.

There are certain recommended skills for those working in the criminal justice professions and beyond. Many of those skills are taught within the Criminal Justice major, including:

- Written & oral communication skills
- Critical thinking skills
- Problem-solving skills
- Skills in research and scientific methodology
- Ability to stay open-minded & consider diversity in perceptions and perspectives
- Ability to work cooperatively

Below is a sample of many of the career choices those with a bachelor’s degree in criminal justice choose to pursue. Those with an asterisk* require a graduate degree.

Attorney – Bailiff – Child and Youth Court Counselor – Crisis Counselor – Court Administrator – Court Clerk – Court Reporter – Judge* – Law Librarian – Mediator – Paralegal – Victim Advocate – Lawyer*

Classification and Treatment Director – Clinical Psychologist – Community Service Coordinator – Corrections Facilities Manager – Correctional Treatment Specialist – Corrections Officer – Detention Deputy – Halfway House Manager – Juvenile Justice Counselor – Juvenile Probation Officer – Parole Officer – Probation Officer – Pre-release Employment Counselor – Substance Abuse Specialist – Teacher – Vocational Counselor – Warden

BACHELOR OF ARTS DEGREE IN CRIMINAL JUSTICE

A. CRIMINAL JUSTICE MAJOR REQUIREMENTS (39 units)
   Catalog years: 2023-2024

I. Criminal Justice courses including:
   • Core Courses (21 units)
   • Upper Division Criminal Justice Electives (15 units)
     • 9 of these 15 units must be at the 400 level (catalog year: 2023-2024)

II. Upper Division Writing Requirement (3 units): ENG 301 or ENG 365

III. Must earn a “C-” or better and have a cumulative 2.0 GPA in all major classes
     • In previous catalog years (Fall 2013-Fall 2018), C- is not considered a passing grade for CRJU courses. If you are a graduating senior and think this new policy benefits you, contact an advisor to discuss changing your catalog year.

B. UNIVERSITY REQUIREMENTS

   Catalog Years Fall 2018 and later: CRJU courses can double-count towards GE requirements. CRJU majors will satisfy D.1- Intro to the Social Sciences and D.4 - Explorations in Social Sciences through CRJU 100 and CRJU 300, respectively, and do not need additional courses in these categories. CRJU majors in these catalog years will need an additional 42-43 units of GE. Please consult https://www.fullerton.edu/undergraduate/general-education/approved-courses.html for more information.

III. General Education Courses (see University Catalog or Academic Advisement Center Website http://www.fullerton.edu/aac):
   • 48/49 units required (Fall 2018-present)
   • Some core CRJU courses count for GE area D.1 and D.4 (D.5 in pre Fall 2018 catalog). Total remaining GE units (39-48 units)

IV. Upper Division Writing Requirement (3 units; same class as A.II. above)

V. Additional Units (to reach a total of 120 units)
   • We recommend you add a second major or a minor
BACHELOR’S DEGREE REQUIREMENTS

To track your progress in fulfilling the following requirements access your Titan Degree Audit
(http://www.fullerton.edu→Portal login→Student Homepage→TITAN degree audit)

A. Major requirements:
   • 39 units of Criminal Justice courses (catalog years 2013-2018: minimum grade of C in each course, catalog year 2019 to present: minimum grade of C- in each course), including:
     • Criminal Justice core courses (21 units)
     • Criminal Justice electives (15 units)
       • 9 of the 15 units of upper-division electives must be at the 400-level (catalog year: 2018 to present)
     • Upper Division Writing (ENGL 301, ENGL 365) (3 units)
     • Minimum GPA of 2.0 in all attempted Criminal Justice courses

B. University requirements:
   • General education requirements (at least 48 GE units) include:
     • At least 9 units of upper-division GE (300-400 level courses). Three units must come from GE areas B, C, and D.
     • At least 9 units of GE taken from a CSU
     • At least 3 units of Cultural Diversity coursework
     • G.E. approved CRJU courses may be used to fulfill G.E. requirements
     • Complete at least 40 units of upper-division coursework (300 & 400 level)
     • Complete at least 30 units at CSUF
     • At least 9 units must be GE courses
     • At least 24 of the 30 units must be upper division
     • At least 12 of the 24 upper division units must be in your major
     • No more than 36 “credit/no credit” units
     • No more than 24 units taken through Extended Education
     • No more than 6 units of internship (495 courses in any department)
     • No more than 4 units of reading skills courses
     • Satisfy the University upper-division writing requirement (same as major) (minimum grade of C)

C. Apply for a graduation check once 85 units are earned, or approximately one year (two semesters) before graduation.
   • In Student Homepage, choose “Academic Records” >“Apply/Pay for Graduation” from the left-hand side menu within your Student Portal.
   • Be careful to choose the correct anticipated graduation term; choosing an incorrect term can have negative consequences on advising, enrollment, and financial aid. If you are unsure about what is a realistic graduation date, discuss it with your advisor or the HSS Graduation Specialist (see the last page of this Handbook) before applying for the grad check.
   • To advance to “Candidate” status, your grad check must be approved by the Criminal Justice Department, and you must pay a $115 graduation fee to CSUF. Complete information about the graduation check process for undergraduates is available at http://records.fullerton.edu > Graduation > Apply for Graduation
   • To “walk” in the commencement ceremonies in May of a given calendar year, students must have graduated the previous Fall (which has a January graduation date) or be graduating in Spring or Summer of that calendar year. Finish with at least a 2.0 (C) grade point average in all courses at CSU Fullerton and elsewhere.
   • Complete at least 120 total units for your degree
CSUF UNDERGRADUATE REPEAT POLICY AND WITHDRAWAL POLICY

Students can check their “Repeated” or “W” units at CSUF by choosing “Withdrawals/Repeats” in the dropdown menu of their Student Homepage.

**CSUF Repeat Policy**

- A student can repeat a maximum of 16 units at CSUF (for the entire CSUF record) with “Grade forgiveness.” **Grade forgiveness** means that the GPA calculation is adjusted to remove the effect of the initial grade, and the GPA will include only the repeated grade (but BOTH grades remain listed on transcripts). Grade forgiveness is applied to the first 16 units that a student repeats at CSUF.

- A student can repeat a maximum of 12 units at CSUF (from Fall 2009 onward) with “Grades averaged.” **Grades averaged** means that the GPA calculation includes the grades of both the initial attempt and the repeat of the class (and BOTH grades remain listed on transcripts).

- A single class may be taken a maximum of 3 times. (Does not apply to classes noted in the University Catalog “may be repeated for credit.)

- The “Repeat policy” is applied automatically at the end of each term.

- Petitions to exceed the repeated unit limits can be filed at the Office of the Registrar, but are rarely granted. For the College of HSS, students must have a letter of support from the Department Chair.

- Detailed FAQ on the CSUF repeat policy can be found by clicking on the “frequently asked questions” link at [https://records.fullerton.edu/academics/faqs/undergraduate-repeat-policy.php](https://records.fullerton.edu/academics/faqs/undergraduate-repeat-policy.php)

**Repeating a ‘D’ letter grade rule (120 units vs major)**

If a student receives a D+ to D- grade in a Criminal Justice course, they will not receive units toward the major. However, they will earn "free elective" units that can apply towards the 120 total units required for their bachelor's degree. For students who earn a D+ to D- in a Criminal Justice core course, it is necessary to retake the course until they earn a C- or higher (C for catalog years 2013-2018). If a student earns a D+ to D- in a Criminal Justice elective course, they do not need to retake it. Instead, they can use the units for free electives towards the 120 total units (keep in mind that you will still need to complete 15 units of Criminal Justice electives with a C- or higher to fulfill the requirement). If you are retaking a course that you previously earned a grade of D+ to D-, and you successfully complete the course with a passing grade, you will not receive any additional units. This is because the credit for the course is already reflected in your TDA.

**CSUF Withdrawal policy**

- An undergraduate student can have a maximum of 18 “W” (Withdrawal) units at CSUF, from Fall 2009 onward.

  - During the first 2 weeks of class, drop via Titan Online Student Homepage (no “W” on transcript); after 2 weeks, a “Request for Withdrawal” form (from Registration and
Records) must be signed by the instructor and Department to withdraw with “W”.

- After 2 weeks and prior to the last 3 weeks of instruction, withdrawals with a “W” are possible only for documented serious and compelling reasons.

- During the final 3 weeks of instruction, a complete withdrawal (from all classes) may be allowed only in cases of a documented serious accident or illness.

- Petitions for Retroactive Withdrawals can only be filed for courses with WU (Withdrawal Unauthorized) and NC (No Credit) grades.

- Detailed information on withdrawals can be found in the registration guide for the semester in which you are enrolled on the Registration and Records website [http://records.fullerton.edu/registration/index.php](http://records.fullerton.edu/registration/index.php)
ACADEMIC NOTICE AND DISQUALIFICATION

- Undergraduate students are placed on academic notice when their CSUF grade point average (GPA) or Cumulative GPA (GPA for all college work attempted) falls below 2.0 (a “C” average).

- Criminal Justice majors on academic notice have a hold placed by the College of Humanities and Social Sciences (HSS) and must attend an Academic Notice Information Session and be advised by a member of the HSS Student Success team (see below) to release this hold.

- Undergraduates on academic notice are subject to disqualification if their CSUF or cumulative GPA falls below the following levels:

<table>
<thead>
<tr>
<th>Class Level</th>
<th>Units</th>
<th>GPA Level</th>
</tr>
</thead>
<tbody>
<tr>
<td>Seniors</td>
<td>90 or more</td>
<td>1.95</td>
</tr>
<tr>

<td>30 - 59</td>
<td>1.70</td>
</tr>
<tr>
<td>Freshmen</td>
<td>0 - 29</td>
<td>1.50</td>
</tr>
</tbody>
</table>

For example, if you are junior on probation (60-89 units) and your GPA falls below 1.85 at the end of the semester, you will be dismissed from the university.

PLANNING YOUR COURSEWORK

Many CSUF students work and/or have family commitments, long drives to CSUF and back, as well as other important obligations that take up their time. To be successful as a criminal justice major, we recommend the following based on a 60-hour workweek (school + commitments) and the need to study 25 – 35 hours per week. Keep in mind that lecture classes generally meet for 3 hours per week. Every week, you should spend 2-3 hours studying for every unit of lecture (3 unit class = 6 hours studying outside of class) 15 units = 15 hours in class + 30-45 hours studying = 45-60 hours spent on school).

PLANNING TIME TO GRADUATION

If you complete (take and pass): You will graduate in:
30 units per year (15 per semester)........................................................................................................... 4 years
24 units per year (12 per semester)........................................................................................................... 5 years
18 units per year (9 per semester)........................................................................................................... 6 years

To reach your goal for graduation, you’ll need to balance your time, your course load, and make a plan indicating how you will fulfill all of your degree requirements. When making this plan, consider how much you need to work, how much time you need to be successful in your courses (for most this means getting A’s and B’s; not C’s), and the consequences of how you arrange your schedule. Use one of the matrices on the following pages to plan your college coursework.

RESEARCH AND OTHER OPPORTUNITIES

Research Courses

Undergraduate Research with Faculty (CRJU 499; 1-3 units) – Independent Studies are intended for (1) students who are interested in pursuing their own research, under faculty supervision or (2) students working with faculty on a faculty research project. Students can take 1-3 units of independent study per semester, up to 6 units of independent study as part of their degree. Student-faculty collaborations are created by mutual interest. If you are interested in the research process and independent study, talk to your favorite professor about the possibility. The faculty roster near the end of this handbook briefly summarizes faculty research interests but you can also learn about individual faculty research interests on the Criminal Justice web page.

Applied Policy Research (CRJU 491; 3 units) – This course is designed for students who are interested in research but not sure whether they are ready for an independent study. Students in the course conduct independent research in small groups, under faculty supervision, on important policy-relevant questions proposed by members of the public, leaders of government or non-profit agencies, or politicians in our community. The class is by “permit only” and offered every 2-3 years. If you are interested in this course, talk to PAJ Division Chair Dr. Matt Jarvis (mjarvis@fullerton.edu, GH-510) or, Dr. Christie Gardiner (cgardiner@fullerton.edu, GH-530).

Experiential Classes and Programs

Service-learning classes – These small classes utilize service experiences in the community in conjunction with classroom lecture and discussion to expand and deepen students’ learning of a subject.

- CRJU 304 – Criminal Courts – This course incorporates extensive active learning designed to transition students from the academic world to the legal profession. Students meet weekly at a courthouse to observe the criminal courtroom in action and shadow a member of the California judiciary. There are also classes with a faculty member at CSUF to discuss key players, functions, and procedures within the criminal courts.

- CRJU 415 – Policing the City – This service learning course critically examines methods used by police to control crime and promote social order in inner city areas. Students consider the various issues from multiple perspectives (residents, merchants, customers, organizations and other users of public space). This course is taught every 2-3 years.

Internships (3 units per semester, up to 6 total) – An internship gives students practical experience connected to their education and it helps answer the question “what does this education have to do with the ‘real’ world?” Besides allowing you to integrate your classroom learning with the outside job experience, an internship: provides some work experience to list on a resume, let’s you develop new work skills, let’s you try out a career in a non-threatening atmosphere to see if you like it, allows you to begin “networking” in your future career area, and may lead to a permanent job. In Criminal Justice, we have two internship programs (both of which require YOU - the student - to secure your own internship!):

- CRJU 495 – Internship in Criminal Justice – General career internships in criminal justice agencies and the non-profit sector. For more information, contact Dr. Georgia Spiropoulos (gsiropoulos@fullerton.edu; GH-520)

- CRJU 492 – Prelaw Externship/Internship – Internships and externships in the legal field, intended for those thinking about law school. For more information, contact Dr. Rob Castro (rcastro@fullerton.edu; GH-544)
Recommendations if you want to do an internship:

- **START EARLY!** Because we are in the criminal justice field, almost every internship is going to require a background check (some of which are quite extensive), so plan ahead.
  
  - For most internships, you should start contacting potential internship sites 3-6 months **before** the semester you want to start the internship.
  
  - If you want an internship in a federal law enforcement agency, plan **one year ahead** (and make sure your grades are stellar)
  
  - If you want to intern in an agency that serves **domestic violence victims**, you will probably need to complete a 40-hour training session that is generally held during the summer.

**Past Placement Sites (Current/former students have interned at these sites, among others); Students are NOT limited to these sites.**

**Moot Court** – CSUF’s Moot Court Team is consistently nationally ranked. Moot Court is a simulation of an appellate court proceeding (also known as mock Supreme Court and Supreme Court Simulation). Moot Court involves teams of student-contestants, clients burdened by a legal problem, briefs and oratory detailing the dimensions of the legal problem before the appellate court. Students argue a hypothetical legal case known as “the competition case.” Some of the benefits of participation include: improved communication skills, enhanced critical thinking abilities under duress, improved legal research and writing skills, enhanced self-confidence and poise, improved relations with alumni, and likely, enhanced acceptance rates into law school. For more information on the American Collegiate Moot Court Association and tournament please see ACM Moot Court. For more information contact: Dr. Pam Fiber-Ostrow (pfiber@fullerton.edu; GH-532).

**Intelligence Community Scholars Program** - Intelligence Community Scholars Program is part of the California State University Intelligence Community Center of Academic Excellence (CSU-ACE). CSU-ACE is a unique consortium of seven CSU campuses throughout southern California. The program is designed to prepare students for possible careers in national security and intelligence through advanced study of national security, intelligence, foreign area studies, language proficiency, geographical expertise, and related competencies. It also serves as a mentoring and networking program for Cal State students.

Applications are accepted on a rolling basis. A minimum GPA of 3.2 is required. Please contact the CSUF Program Coordinator, Dr. Valerie O’Regan for more information and for an application at voregan@fullerton.edu. For more information see: http://hss.fullerton.edu/paj/intelligence_comm.aspx

**Cal State D.C. Scholars** – Students earn academic credit while interning in Washington D.C. Internships can be with nonprofits, advocacy groups, congressional offices, executive agencies, museums, security firms, business groups, political parties, artistic organizations, news and media companies, and a variety of other offices in and around Washington D.C. Juniors, seniors, and graduate students from all majors are encouraged to apply. The program is neither partisan nor ideological and welcomes students from all political persuasions. For more information visit: http://hss.fullerton.edu/cal_state_dc/ or contact Amie Zeoli. (amzeoli@fullerton.edu).

**Study Abroad** – CRJU students are highly encouraged to take advantage of the many opportunities to participate in a study abroad program during their time at CSUF. For more information about study abroad programs through HSS, visit:
